

Compression Double Check Valve Bronze

NRV 06

Features and Benefits

- Double check valves when fitted stop the flow of water in one direction preventing back flow.
- Bronze body with compression ends for copper pipework systems.

Versions and Products Codes

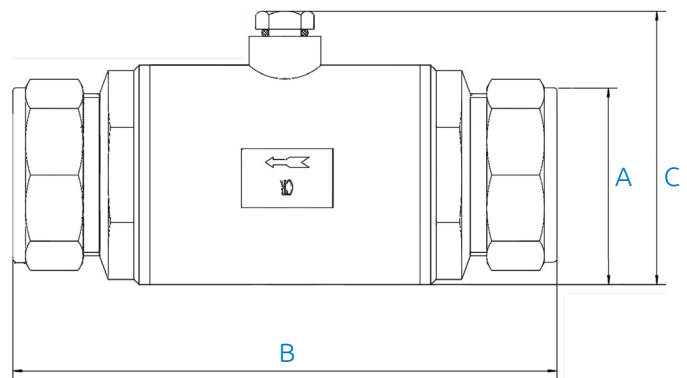

STOCK NO	A	B	C
30711	35	149	74.5
30712	42	165	83
30713	54	175	97

Technical Data

- Fields of applications: water
- Max working pressure: PN16
- Operating temperature range: -5°C to +60°C

Applicable Standards

- Compression connections comply with EN1254-2
